MS PATENT APPLICATION  
Commissioner for Patents  
P.O. Box 1450

Dear Sir:

Applicants request that the Sequence Listing in both computer readable form (CRF) and paper copy from prior U.S. Application Serial No. 10/759,841 be transferred to the above captioned U.S. Continuation Application.

Applicants assert that as far as the undersigned is aware, the sequences of 10/759,841 are the same as those sequences in this continuation application. Application No. 10/759,841 is a continuation application of Application No. 10/346,853 which is a continuation application of Application No. 09/100,812 (now Letters Patent No. 6,573,099), the transfer is therefore appropriate.

Furthermore, Applicants assert that the paper copy and the computer readable copy of the sequence listing in 10/759,841 are identical.

In the event the U.S. Patent and Trademark Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. **546322000305**. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Dated: April 8, 2004
